Skills

- Java
- HTML, CSS, JavaScript
- SQL
- Git, GitHub (Basic)

Education

B.Tech in Computer Science and Engineering(CSE)

Asansol Engineering College
MAKAUT
(2023 – 2027)

Senior Secondary(XII),2023 Science

India International School,Asansol
(CBSE)

Secondary(X) - 2021

DAV Public School,Asansol (CBSE)

Languages

English (Professional)
Hindi
Bengali (Native)

Interests

Fitness and Strength Training, Outdoor Sports, Travel and Cultural Exploration, Personal Skill Development

Professional Summary

Passionate and driven learner with strong organizational skills, eager to contribute to team success. Highly adaptable, quick to embrace new responsibilities, and committed to continuous learning while leveraging technical expertise to achieve organizational goals.

Projects

Adaptive Mood Prediction System with Alert Mechanism for Risky Thoughts

Technologies: Python, Machine Learning, Ensemble Models, Logistic Regression, Random Forest, Gradient Boosting, SVM, KNN — (Group Project)

Live Demo | GitHub Repository

Developed a machine learning-based system to analyze user mood patterns and classify potentially risky thoughts, enabling early alerts using ensemble models for improved prediction accuracy.

Personal Portfolio Website

Technologies: HTML5, CSS3, GitHub Pages — Individual Project

Live Demo | GitHub Repository

Built a responsive portfolio website showcasing projects, skills, achievements, and contact details.

Strengths

Work Ethic — Hardworking and passionate learner with strong organizational skills.

Adaptability — Highly adaptable with a willingness to take on new responsibilities.

Commitment to Growth — Committed to continuous learning and leveraging technical skills to meet company goals.
